On May 19, 1997, Nelson County Water District ("Nelson Water") applied to the Commission for approval of a Certificate of Convenience and Necessity to construct additions and improvements to its water distribution system, for approval of revised water service rates and charges, and for authority to issue certain securities. Nelson Water has requested permission to deviate from the requirements of 807 KAR 5:001, Section 6, which requires the submission of a detailed financial exhibit for the period ending not more than 90 days prior to the date of the application.

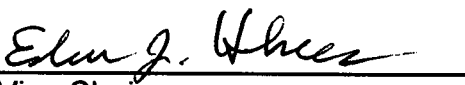

Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to review adequately Nelson Water's filing. Therefore, its request for permission to deviate from the above-cited regulation should be granted.

IT IS THEREFORE ORDERED that Nelson Water's request for permission to deviate from the requirements of 807 KAR 5:001, Section 6, is hereby granted.

Done at Frankfort, Kentucky, this 9th day of June, 1997.
